

Fernando Rosario is an executive coach, speaker, consulting executive, and entrepreneur with over 20 years of experience in the financial services and technology industries. His clients include Fortune 500 corporations, non-profit organizations, startups, and universities.

Executive Coach & Speaker

Reaching thousands of individuals over the years by providing coaching, mentoring, seminars, and custom leadership development programs. He has obtained certifications from The Hudson Institute, International Coach Federation (ICF), John Maxwell Team (JMT), and Global NLP institutions.

Consulting Executive

Over 20 years of experience working in the banking, capital markets, mortgage, and retail space designing, implementing, and delivering large scale systems. Significant experience in a broad range of services in IT architecture solutions, software development, product incubation, and highly complex technology solutions.

Inclusion & Diversity

As an executive in Accenture's Talent Acquisition organization, Fernando led the North America Inclusion & Diversity recruiting efforts; strategizing, implementing, and managing recruitment, retention, and development programs across multiple segments including Hispanics, African-American, Women, Military, LGBT, and People with Disabilities. In addition, he led the National Hispanic-American ERG and launched regional diversity summits.

Entrepreneur

Founder of two startup companies as well as the advisor for several others. He is the President and Founder of Exeqpath, a company dedicated to leadership and professional development and serves as the Chief Technology Officer (CTO) for his other venture, Raisal, a technology platform focused on commercial real estate.

Custom Leadership Development Programs

We have worked with several companies to help design and deliver custom leadership training programs. These range from working with Employee Resource Groups (ERGs) to mid-level management, high potential talent and executives.

Charting Your Career Program

A program designed to help participants plan their personal and professional paths in order to reach their goals. Individuals gain valuable knowledge and insights about themselves, the environment they spend time in, the people they are surrounded by, strengths and weaknesses, and the tools and resources critical to their success.

Keynotes

Mr. Rosario has delivered inspiring keynotes addressing topics such as motivation, leadership, coaching and mentoring, finding your voice, influence, and the power of networking and communication skills.
